POSTAL REGULATORY
COMMISSION
OFFICE OF THE SECRETARY

There are some mistakes that I found.
In the letter it states that the
postmaster was "promoted" on June
30, 2008, however the post master
retired on June 30, 2008. It also
states a Postmaster Salary and Fringe
Benefits and the ladies that work
there are PMR's which are not carrier
positions as the letter states, so how
can they be salaried with benefits
I don't agree with things that are
written in the letter. I don't feel
that the customer should have to
suffer because the postal service has
decided not to promote any of their
employees.

Thanks,

Mrs. Thomas Vineyard Jr.
